RE: Decel lane for 1347 Baldwin

To: Mannette Minier

 You replied to this message on 10/27/2016 3:38 PM.

Mannette,

Spec's for the right turn lane:

1. Taper length – 130' min
2. Lane length – 100' min
3. Lane width – 10' min

Also, being on a primary road, we would like to have 60' of ROW along Baldwin St.

Let me know if you have any questions or if you need additional information.

Thanks, John
