

Updates?

There was no discussion about the following items at the last meeting. I was wondering if you could give us an update?

Sale of 200 Baldwin?

The Public Survey on 200 Baldwin?

Sale of the Kmart property // Aldi expansion? // Truckers using the land for overnight parking?

Regarding the purchase of a bucket truck – our use seems to be limited. We hung the banners without one. An alternative would be to rent one as needed. Or, hire a company for the lights and trees.
