### **#100412-02 – Request from Nylaan Body Shop**

There was discussion regarding the [request with estimates](#) from Nylaan Body Shop for Township participation in the cost for curbing as shown on the [site plan](#). The consensus of the committee was that even though they wanted to help and empathized with the Nylaans, they could not in good conscience use tax payer money to help everyone they would like to help because the requests would end up with significant expenditures resulting in higher taxes for the residents of the Township.
