POST IN A CONSPICUOUS PLACE

A construction permit is required to add sites or to modify your campground utilities or service building. The construction permit fee is \$225 for any modification to your campground. Some additional license fees may be due if you add new campsites. You will be billed for additional fees (if any) upon issuance of your construction permit.

A local health department inspection and approval is required each year for 1-year, 2-year, or 3-year licenses. The local health department may collect additional fees to perform this inspection.

Failure to obtain and prominently display this license is in violation of Part 125 of 1978 PA 368, as amended, and is subject to penalties as stated in the act.

This license is not transferable to another person except where the transferee complies with all licensing requirements. The transferee must also submit an application to the department and pay a license transfer fee of \$75.
