Education

- Attended the August 8 Tri-County Fire Inspectors Training seminar. This was held at Alticor World Headquarters. Subjects covered were the Michigan Building Code and Michigan Electrical Code updates and how they affect the Fire Inspector.

Fire Investigation and Follow Up

- 202 Baldwin – Investigation of gas stove fire. Rusted out flex line to the stovetop. Damage confined to the stove.

Other

- E-mailed month end reports for July to Chief Hamming and Jill Skelley.
- Test ran Engine 825 to make sure that it would cycle properly from road position to pump position.
- Attended our biyearly managers meeting with Supervisor Bill Holland, Clerk R. J. Poel, and Chief Dan Hamming.
- Prepared inspection forms for upcoming maintenance inspections and also mailed out pre-inspection letters and checklists to local businesses.
- Stopped by Target Store and met with Kim Altman, their public relations coordinator, about us attending their “National Night Out” event and what they wanted us to do.
- Met with PCI reference the hood fire suppression system that was installed at Great Lakes Chinese Restaurant, and reviewed the codes pertaining to hood fire suppression systems.
- Posted upcoming PR Events at the fire stations.
- Locked the master key in the newly installed Knox Box at the LaSalle Bank, 7589 Cottonwood Drive.
- Toured the new Georgetown Elementary School at 3909 Baldwin with Chief Hamming and Dan Nederveld.
- Attended a meeting at Station 3 with Captain McIntyre and Chief Dan Hamming.
- Attended the monthly progress meeting at Station 3 with F. F. Matt DeWitt and Chief Dan Hamming.
- Reviewed ICC and NFPA code requirements for monitoring fire alarm systems in new and existing facilities.
- Picked up EMS supplies from Station 1 and resupplied Engine 826.
- NFPA 13 & 70 code research on wiring requirements for the air compressor supplying air pressure to the dry pipe sprinkler system.
- Assist Matty with T-841 at Station 3.
- Filed inspection reports received from Fire Pros.
- Filed inspection reports received from the State Fire Inspector.
- Review inspection reports on 141 & 151 Port Sheldon received from Fire Pros and the State Fire Inspector.
- Met Fire Pros at 188 Chicago Dr., Taco Bell, to do a retest of their commercial cooking hood fire suppression system. The system failed and a follow-up letter was given to the manager requiring them to make corrections within a week.
- Met with Fellowship Reformed maintenance supervisor to change out master keys in the Knox Box.
- Met Yellow Freight Lines truck at Station 1 to unload material for new Engine 821.
- Plan Review – Preliminary Plat of Cedar Lake No. 11
- Plan Review – Revised Preliminary Plat of Crosswinds, 4700 Baldwin.

- Met with the owner of Fabrication Tek and the electrical inspector to discuss the electrical violations found on my fire safety inspection.
- Assist Matty with the telescoping lights on Engine 821.
- Assist Matty with taking Engines to West Shore Fire for their yearly pump certification test.
- Review the revised State Fire Prevention Code, Act 207 of 1941 that went into effect on June 19, 2006.
- Preplan the Georgetown Ice Arena with Deputy Chief Poolman.
- Met with F. F. Mike Kohl at Station 3 to discuss his medical leave.

Georgetown Township Fire Department

Fire Prevention Bureau

Monthly Activity Report

August 2006

1st – The department participated in the “National Night Out” that was held at the Target Store on Chicago Drive.

12th – Captain Dan Grzegorski, Lt. Gary Danielson and F. F. Brian Wiersum attended Georgetown Bible Churches festival. There were approximately 100 adults and 200 children that they talked to about fire safety and also showed them all the tools on Engine 826 that fire fighters use to perform their job.

24th – Fire Fighters Dave Butler, Josh Butler and Justin Stadt took Truck 841 to participate in Sunset Manors annual “Grandparents Night Out”. This event didn’t last long due to the heavy rain that came in the area at the start time and it didn’t let up. Better luck next year.
