

GEORGETOWN
CHARTER
TOWNSHIP

September 21, 2006

Report To Board Members:

You may have read in the paper about the Grandville Waster Treatment Plant expansion and that Georgetown Charter Township will be a part of that expansion.

There have been 2 meetings with the City, Blendon, Georgetown, and Jamestown Townships.

City of Grandville officials have not given me an the update from their council meeting, on the details of the expansion plans, as soon as they do I will share it.

Bill Holland
Supervisor
