

**Georgetown Township Fire Department
Dan Hamming
Fire Chief**

August 22, 2006

Mannette Minier
Zoning Administrator
Georgetown Charter Township

Mannette:

Dan & Pam Adams have contacted me inquiring if the Georgetown Fire Department would be interested in burning down their residence & un-attached garage at 4612 Van Buren. I have agreed to do this. The date for this burn ultimately depends on when 40th Avenue at the railroad crossing is re-opened. Van Buren currently is a posted detour while the intersection is under construction.
