- a) Building envelopes appear to meet ordinance requirements, but will be reviewed for exactness at the time a building permit application is submitted. Some lots are affected by drainage easements. These situations are noted to be self-created by the developer and would not, therefore, qualify to meet the standard in the ordinance

regarding self-created situations should any time in the future a variance be requested based on those circumstances.

- b) All fees, including deferred assessments, shall be paid prior to the issuance of any building permits.
- c) If there is to be a plat entry sign, some type of legal instrument must be submitted for the maintenance of the sign.
- d) Attached garages with a minimum of 400 square feet shall be provided.
- e) Sidewalks will be provided by the individual property owner at the time a house is constructed.
- f) The lot created by the exception shall be connected to public water and sanitary sewer. Provide evidence (i.e. signed letter stating that the lot created by the exception shall be connected to public water and sanitary sewer prior to any development taking place on it).
