10. 2022 Resolution To Establish Polling Locations (2021 Precinct Map)

Note: At the January 26, 2021 meeting, the Election Commission approved a new precinct map, which now includes the new County Commission districts. The facilities for polling locations have been previously used as polling locations. However, Precinct 11 was moved from Waterford Place to the same location as Precinct 15, Grace Bible Fellowship Church, 1260 Chicago Dr., Jenison 49428. The reason was because during the 2020 elections, Waterford Place could not be used as a polling location due to Covid restrictions. The facilities were chosen based on the ability for each to accommodate the newly increased number of registered voters for their designated precincts. All authorized agents of the facilities have already signed agreements designating their facility has compliant with the criteria listed in the law for a polling location and to allow their facilities to be used as polling locations until December 31, 2022. New agreements will be

obtained in 2023.

Motion: To approve the following Resolution to Establish Polling Locations, as recommended by the Finance Committee:
