#220124-06 – Parks and Trail Winter Maintenance

Discussion took place.

#220124-07 – July 2022 Constituent Survey - Mechanics and Timeline

The Committee discussed a variety of channels to utilize for the distribution of the survey. The different channels that were mentioned included, the tax bill, using a QR Code, the Township website, the Township Facebook page, the existing SMS Messaging database. The Committee also asked Township Staff to review Survey Monkey, Typeform.com, and Google Forms for the security options that they offer as well as the ease of use for tallying information and the adjudication process.

The Committee also discussed the timeline for the survey. It was decided that potential questions from all Committees and Board members would be reviewed at the Services Committee meeting on February 28. The Committee will then work on putting together potential survey options to send to the Board for review. It was also decided that the Township Board would set the mechanics for distribution at the March 14 Board meeting.

Replacements Proposal

Attn: Rod Weersing
1515 Baldwin St
Jenison, MI 49429

Scope #1

We will furnish and install one new Milestone desktop NVR at Rosewood Park to replace the failing Pelco NVR. This site is heated through the Winter, so an additional heater is not needed. This system will allow the township to integrate into the main system if network is ever provided at this location.

This proposal **includes** the following:

- Furnish and install (1) Husky IVO 150D Desktop 8 TB NVR.
- Furnish and install Milestone Essentials+ software which is free up to (8) cameras.
- Startup and checkout of system.
- 90-Day material warranty on balance of components provided by GVA.
- One-year labor warranty on balance of work provided by GVA.

The cost for the **Proposed work** as outlined above is:

\$3,977.00

This proposal **does not** include the following:

- After hours, weekend, or holiday premium labor costs.
- Any wiring or repairs to any cameras, assumes they are all in working order.
- Any lift rental.

Scope #2

We will furnish and install one new Milestone desktop NVR and Nema Box with heater at 8th Ave Park to replace the failing Pelco NVR. This site is winterized and does not have heat. To avoid running a space heater, a Nema Box with a heater is needed. This system will also allow the township to integrate into the main system if network is ever provided at this location.

This proposal **includes** the following:

- Furnish and install (1) Husky IVO 150D Desktop 8 TB NVR.
- Furnish and install (1) NEMA 4 cabinet with built in heater.,
- Furnish and install Milestone Essentials+ software which is free up to (8) cameras.
- Startup and checkout of system.
- 90-Day material warranty on balance of components provided by GVA.
- One-year labor warranty on balance of work provided by GVA.

The cost for the **Proposed work** as outlined above is:

\$5,043.00

This proposal **does not** include the following:

- After hours, weekend, or holiday premium labor costs.
- Any wiring or repairs to any cameras, assumes they are all in working order.
- Any lift rental.

Ideas for Resident Survey regarding Township Parks

What do you like most about the GT Parks?

Do you believe the splash pads were a good investment?

Playground Equipment?

Are you comfortable with the recent expenditure that invested heavily in child safety?

How would you rate the Township walking trails?

Would you like to see more?

Should the Township Board explore converting tennis courts to pickleball courts?

Would you like to see the Township develop a pickleball complex? Would you use it?

Potential Parks-Specific Survey Questions for July Tax Bill, Becky Steele

Scale of 1-5 (Strongly Disagree to Strongly Agree):

- I regularly visit township-maintained parks (ex: Rosewood, Maplewood, 8th Avenue).
- I believe Georgetown Township takes pride in their parks.
- I believe Georgetown Township should, via tax revenue, make additional investment to improve their existing parks.
- I believe Georgetown Township should, via tax revenue, invest in the creation of additional parks within our township.

Open Ended:

If applicable, what amenities or community opportunities would you like to see added to Georgetown Township parks?

If applicable, where would you like to see additional parks created within our township?

Proposal for Georgetown Township Public Survey

Need: Township needs a long-term solution to strategically gauge and include public opinion for bigger themed issues in our community on a bi-yearly bases. This will promote alignment between community (tax paying citizens) and the board executing budget and larger community initiatives.

Objective: Develop a neutral, comprehensive, and approachable survey to gauge public opinion on the major issues and themes that are arising in our Township. Findings from initial survey will help determine 1) further consumer insights work 2) provide a clear majority opinion of upcoming larger projects/themes for future proposals.

Goal:

- **To serve** the constituents of Georgetown township by clear representation, honoring the taxpayers dollars and good stewards of the budget.
- **Help grow** and prosper our community with the foundational support and backing of our constituents by engaging and including them in bigger initiatives in the community.
- **Earn trust** and harmony by providing inclusion and transparency to our decision making process

Draft Questions for Township Resident Survey

Utilities Committee Questions

1. Sidewalks/Trails. Currently a developer of property and/or individual property owner is responsible for the installation, snowplowing, and maintenance of sidewalks. Should the Township spend: (please check one)

More than currently being spent on sidewalks?

If you checked here, would you support? (check all that apply)

A tax increase?

Reprioritizing existing funds?

Having the adjacent property owner pay?

Less than currently being spent on sidewalks?

The same as currently being spent on sidewalks?

2. Roads. The Township pays for the re-surfacing of residential subdivision roads. Ottawa County Road Commission is responsible for all other roads. Should Georgetown Township spend: (please check one)

More than currently being spent on resurfacing roads?

Less than currently being spent on re-surfacing subdivision roads?

The same as currently being spent on resurfacing subdivision roads?

Finance Committee Questions

1. If the Township were to achieve what is determined to be a budget surplus, should the surplus be used to (please rank by order of importance):

Reduce the tax millage

Make road improvements

Make park improvements

Make sidewalk/trail improvements

2. Did you know that none of your Summer Property Tax Bill goes to Georgetown Township?

Yes, I know that the Township collects the summer taxes and disburses them to the County and schools.

No, I thought the Township collected and utilized the summer tax funds.
