A Pictorial History of Cottonwood and Baldwin

COVID -19 has hindered my research access so I don't have a new story for this issue. Instead, I'm presenting a small pictorial history of Cottonwood and Baldwin. Before it was DeWitt's, Moody's garage was very near this corner. DeWitt's came in 1960 and remained here until recently when it moved to Chicago Drive. The new Clock Tower is now being built on this corner.

RE: Monthly Report (June 2020)

In June the Sheriff's Office responded to 816 calls for service in Georgetown Township. The Paramedic Units responded to 127 medicals. Deputies made a total of 224 traffic contacts and cited 138 violations.

The modified schedules came to an end on June 14th with all uniformed personnel returning to their regular schedule. We had a few small peaceful protest in Georgetown Twp. in reference to Black Lives Matter. Sheriff's Office Personnel that are assigned to Mobile Field Force and Critical Response Teams have been deployed as mutual aid to the City of Grand Rapids and the City of Holland on protests. The community support for the Sheriff's Office continues to be overwhelming with many area residents stopping into the office to voice their support as well as stopping us in various locations to offer words of encouragement and thanks.

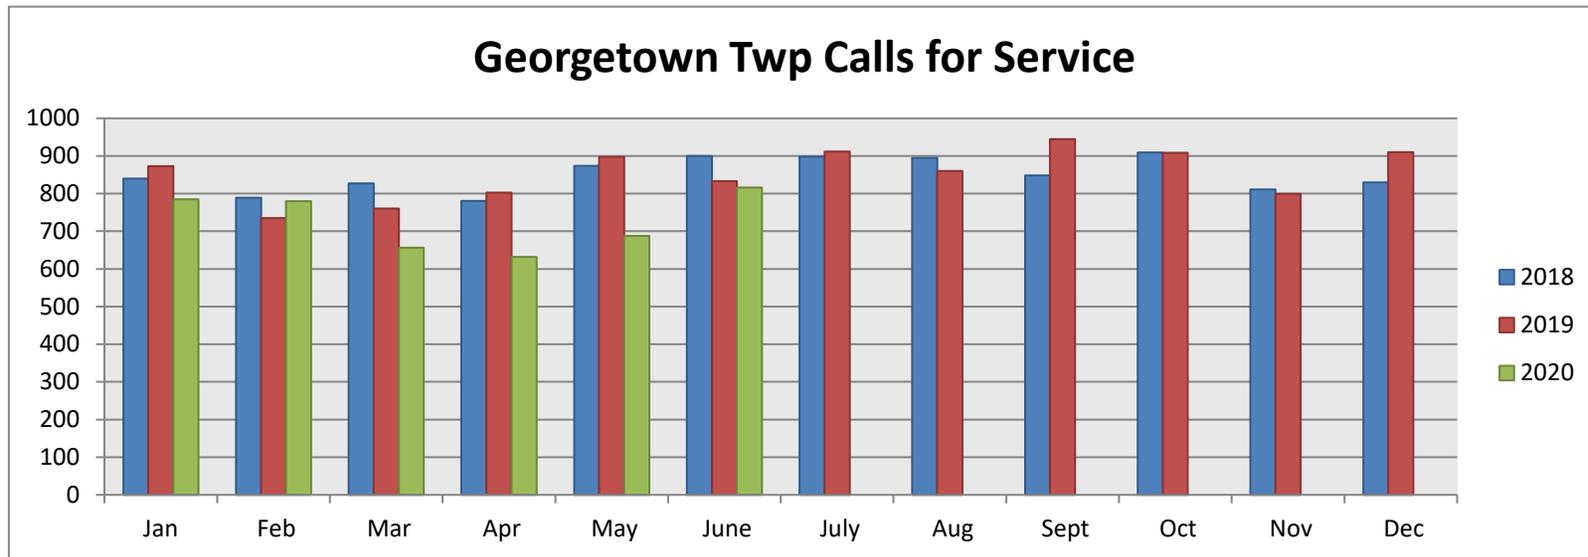

If you have any questions please feel free to contact me direct.

Respectfully submitted,

Sgt. Chris Koster

MOTION CARRIED UNANIMOUSLY.

Moved by Becky Steele, seconded by John Schwalm, to approve the [resolution](#) to issue liquor license [\(LIQ2002\) Posh Nails and Spa](#).

There was Board discussion and comments included the following:

- it was a nice idea and would provide a good benefit;
- the concern was that other salons and nail places would also want one and that could use them up, preventing a restaurant from locating here;
- the concern is that no food is served and others have been denied for not serving food;
- ordinance states that income for the business has to be derived from food or recreation or similar activities and this could be considered recreation for some people;
- a limit could be created for certain types of business;
- they could place a limit the number of drinks to two, but it may not be enforceable;
- the Board could establish a number or percentage of licenses for certain uses through resolution and the Board would have to grant a variance as per the ordinance.
