

Sec. 50-29. Final approval of preliminary plat.

The proprietor must resubmit the preliminary plat to the township board for final approval within one year from the date of tentative approval, unless such time has been extended by action of the township board.

Mannette,

I hope this email finds you well.

From my understanding is that the tentative preliminary plat approval expires after one year. We would like to request an extension of that approval for Teton Farm. The EGLE permit has taken longer than we expected. But we are moving full steam ahead as much as we can.

Please let me if there is anything you need from us for this request.

Thank you and have a great day.

Adam DeYoung, P.E.
