Mike Petroelje
Director of Student
Safety and Security

February 25, 2020

Dear Dan Carlton,

Hudsonville Public Schools is always striving to provide a safe and secure environment where students can realize their full potential. One area that our district wants to improve is the ability for our school staff to communicate in a quick effective way. This requires reliable, continuous communication among school personnel, both onsite and district-wide, plus the ability to instantly connect with first responders in an emergency. Over the past few months we have researched the most effective way to provide the best radio communication throughout the district. After analyzing several different antenna locations in the area we have identified the Georgetown Township water tank located on the south side of Bauer Road, east of 36th Avenue as a perfect location to affix one of our antennas. This particular location would provide excellent radio coverage for our schools in the north end of the district. We are requesting Georgetown Township grant Hudsonville Public Schools permission to affix an antenna on top of the water tank at the listed location and allow the district to place radio repeaters inside of the listed water tank location. Hudsonville Public Schools would be responsible for all the cost associated with the purchase/installation of the antenna/repeaters along with all of the hardware needed to complete the project. Besides the initial cost of the antenna/repeaters, the district would also be responsible for any and all maintenance of the equipment that is installed. Hudsonville Public Schools appreciates our partnership with Georgetown Township and looks forward to your response in reference to our request.

Sincerely,

Mike Petroelje
Hudsonville Public Schools
Safety and Security Director

The mission of Hudsonville Public Schools is to educate, challenge, and inspire all learners to become contributing, responsible members of a global society.
