

# Playground Resurfacing Options

Add-on cost to have us completely remove the existing rubber that has failing areas and replace with new before installing the artificial turf that is in our contract already. There is an add-on for each site individually. Add-on prices include demo, dumpsters, disposal fees, crushed gravel repair and re-compaction as necessary and supply and install of new impact attenuating rubber base.

Add-on for 8<sup>th</sup> Ave. site - \$39,980

Add-on for Maplewood site - \$31,131

Add-on for Rosewood site - \$63,133

Total: \$134,244
